St. Paul Lutheran Endowment Foundation Classroom Addition

Hello fellow St. Paul family! I do hope that this message finds all of you well & ready to join us back at our church home. While the precautions that must be taken may seem awkward, it is comforting to be back in the company of friends & extended family.

The classroom addition is completed!

The Endowment Foundation could not have sponsored this needed addition without bighearted congregational support. We are now seeing the fruits of our collective generosity come to life before our eyes!

Updated Numbers:

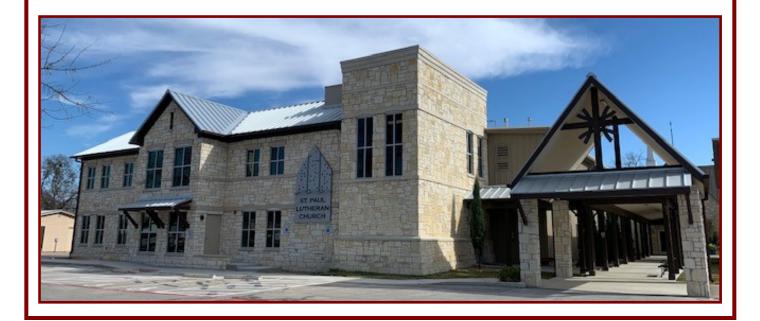

- * We have spent \$492,000 on the project (est. total cost of \$825,000).
- * We have raised \$323,000 in donations from 144 congregation members.
- * Great news there are an additional 200+ members that have yet to give!

If you would like to give, donations can be made in multiple ways:

- Send or drop off a donation to the church to the attention of the **Endowment Foundation** (please make checks out to the St. Paul Lutheran Endowment Foundation).
- ♦ Credit card via St. Paul's web-site: <u>https://www.nbstpaul.org/resources/endowment-foundation</u>

Thank you for your past generosity & future consideration of financial support for the classroom addition.

"Yet the true <u>definition of marriage</u> is this: marriage is the divine and lawful union of a man and woman in hope of children, or at least for the sake of avoiding fornication and sin, to God's glory. Its ultimate <u>purpose</u> is to obey God; to remedy sin; to call upon God; to seek, love, and educate children to God's glory; to live with one's spouse in the fear of the Lord; and to bear the cross."

-Martin Luther, Genesis Commentary

Digital ministry is the new front door of the church (especially in the COVID era). What is St. Paul doing to enhance our online presence? How are we going and making disciples using our digital front door??

Light the Night is our new digitally delivered worship experience. We will be hosting the first LIVESTREAM event on FACEBOOK on January 31 at 7 p.m. with Pastor Chip Reynolds. This service will provide a new gathering place to first experience Christ and worship. This digital service allows us to move outside our walls to engage people to help families follow Jesus.
